

My Home Learning Plan

Use this plan to help you think about how you might learn at home.
Once you have completed it, you can decorate it and stick it up at home.

Name:

<p>Where could I learn? Could I set up a learning station? What might this look like?</p>	<p>When might I learn at home? What time of day could it be?</p>
<p>What things might I need to help me learn at home? What could I have ready before I begin?</p>	<p>Who might be able to help me if I get stuck?</p>
<p>How could I be resilient when learning at home?</p>
