

Southwater Junior Academy Music Home Learning w/c

YEAR 3

**If you have a ukulele at home have a go at the pieces we have been learning in school:
*Frere Jacques***

A minor miracle - Ukulele Magic

Autumn Leaves

Land of the Silver Birch

**Alternatively, follow this link and have a go at making your own cardboard ukulele
<https://www.youtube.com/watch?v=AoIrhvF19YE>**

Try and add frets so you can try out the positions of the chords we have been learning in school.

Year 5

Go to learning, curriculum areas and music on the school website and teach your family the songs Year 5 will be singing at the Hawth.

Have a go at making your own musical instrument (think about your Stomp lessons in the Autumn Term) and use it to accompany your singing rehearsals – take photos or make a recording of you and your family performing.

Follow the links for some ideas:

YEAR 6

Imagine you had to compose a variation (version) of Elgar's enigma tune for each member of your family. Write notes about what the tempo (how fast or slow), dynamic (how loud or quiet), timbre (sound quality/colour) and duration of notes would be like for each family member.

If you have access to a keyboard or tuned instrument, why not teach your family how to play the enigma tune. Follow this link to hear the original.
