

Southwater Junior Academy Music Home Learning 6

YEAR 3

With a ukulele

We are going to play a 'twelve bar blues'. A 'twelve bar blues' is made up of twelve bars or sections each lasting 4 beats. We are going to use the chords of C, F and G7.

*Look carefully at the music as you listen to the clip of 'Playing the blues'. You will find these both in *Music Home Learning Resources 6*.

*Play just one chord per bar until the chord changes become familiar.

*When you become more confident, you can fill in the gaps by strumming on the pulse (beat). If you are feeling really adventurous, you could add last week's shuffle strum as a repeated rhythm for each bar.

Without a ukulele

Sing along to '***The bare necessities***', a Disney favourite which is lots fun for old and new fans alike.

The Sing Up at Home teaching video by Beccy Owens takes you through her jazzy arrangement of the iconic song from *The Jungle Book*, with singing, vocal percussion and physical actions.
