

## **10. Happy ever Afters - Verses = Solos? / Groups? / All?**

1. Happy-ever-afters don't come easily,  
There are many chapters but no guarantees  
Many pages have to be turned before the tale is told  
And the story takes you away from where you want to go.

### ***CHORUS- Part 1 – ALL***

**Cinderella! Rockerfella!**

**Got together.**

**Cinderella and her fella got together.**

**Cinderella! Rockerfella!**

**Got together.**

**Cinderella and her fella got together.**

2. Happy-ever-afters don't come easily,  
None of us are writers of our destiny.  
But the story has its own happiness to be pursued,  
Every dream that somebody dares to follow can come true!

### ***CHORUS- Part 1 – ALL...***

3. There's a world that hides itself in fairytales,  
And it's not so different from the one we know,  
Cause the story's full of adventure to be lived and breathed  
And I'm sure that anything's possible when you believe!

### ***CHORUS- Part 1 – ALL...***

#### ***CHORUS – Part 2:***

Happy ever after, our story ends.

Happy ever after, our story comes to a very happy end!

#### ***CHORUS (PARTS 1 and 2 together)...***

Happy ever after, our story comes to a very happy end!
