

2. A Friend Like You – CINDERELLA + BUTTONS (+ CAST?)

CHORUS

Cinderella

I'm glad to have a friend like you,
Buttons I know it's true, you're there for me.

Buttons

I'm here and we're a funny pair,
Cinders you know I care about you.

1. **Buttons**

I remember when you first became my friend,
We'd dream of who we'd like to be.
Many were the days we played our games of make-believe.

Cinderella

You would be the cowboy racing down the railroad,
Off to set a poor girl free!

Both

We'd ride off together in the sunset, you and me!

CHORUS...

2. **Cinderella**

You're the dashing prince, got turned into a frog-
An evil act of sorcery.

Buttons

You're the lucky girl who plants a kiss upon my cheek!

Cinderella

I would be the princess locked up in a castle,
Nobody to rescue me

Buttons

I would be your knight in shining armour, you'd go free!

CHORUS x 2 (both sing second time or after CAST CHORUS?)

Cinders / Buttons you know, I care about you.
