

### 3. It's Not All It's Cracked Up To Be – RF, DD, Paparazzi (+CAST?)

#### CHORUS

##### **Rockerfella**

Oh, it's not all it's cracked up to be!  
I've lived a life of fame and celebrity.  
I've had my name in lights, done concerts every night,  
And it's not all it's cracked up to be!

##### **Paparazzi**

Oh, it's not all it's cracked up to be!  
He's lived a life of fame and celebrity.  
He's had his name in lights, done concerts every night,  
And it's not all it's cracked up to be!

##### **Rockerfella**

1. I've headlined every continent; I've toured around the world,  
From Sydney to New York and back again.  
I've had my share of compliments from screaming crowds of girls,  
But stardom isn't everything they'd say.

#### **CHORUS... (PAPARAZZI)**

##### **Dan Deeney**

2. I took you from obscurity, I made you what you are.  
It's thanks to me that you're a household name.  
I've given you security, the chauffeur and the car.  
I can't believe you'd throw it all away!

#### **CHORUS... (PAPARAZZI)**

**Dan Deeney Chorus:** I can't believe you'd throw it all away!  
Maybe you need to take a holiday.  
You're just a little stressed, so get yourself a rest.

Come to your senses and we'll talk  
again!

### **CHORUS... (PAPARAZZI)**

3. **Rockerfella** The lifestyle of a megastar has lost its gloss for me.

**Dan Deeney** I'm ready to discard my dancing shoes.  
If you give up on your guitar you have my  
guarantee,  
Within a week I'll find somebody new!

### **CHORUS and DAN DEENEY CHORUS together, followed by CHORUS**
