Thursday 26<sup>th</sup> March 2015

Dear Parents,

It has been a very busy term for Year 4 and we have been delighted by how hard the children have worked. The children have shown a real enthusiasm for the topic Superhuman and have developed their understanding of the importance of healthy eating, exercise and looking after themselves. The effort pupils put into their superhero projects has impressed the Y4 staff and the Superhero Day has left a lasting impact on the school.

In addition, the response to the Lodge Hill residential visit in May has been good. If you have not returned a reply slip please do so by Friday 27<sup>th</sup> March 2015.

With summer in mind we have attached the overview for our summer term topic "Coasts and Cutlasses". It is an exciting topic and later in the term we will be taking the children to Brighton to study the coastline. We will write to you in April with more details about this. Additionally, our design and technology project next term will involve pupils designing and making their own model lighthouse. We would like to ask for Pringles crisp containers to be sent into school as they make ideal towers for the lighthouses. Cereal boxes would also be welcomed to help with the construction of the models.

We would like to take this opportunity to wish you and your family a happy and healthy Easter. We look forward to welcoming Year 4 back to school on Monday 13<sup>th</sup> April 2015.

Yours sincerely

The Year 4 Team
